

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

<p>2005 Wisconsin Act 9 [2005 Senate Bill 27]</p>	<p>Real Estate Media Recording Requirements</p>
--	--

2005 Wisconsin Act 9 alters the current media requirements for recording plat and survey maps from a specific size and type of muslin-backed paper to a permanent black image on a durable white medium that is certified by the Wisconsin Department of Administration. Proponents of the Act indicated modern recording techniques and discontinuation of the manufacture of the muslin-backed paper prompted the change.

Effective Date: May 17, 2005.
